Seashore Trolley Museum's Mission is to preserve and interpret the industry that helped build American cities. As the world's oldest and largest electric railway museum, we collect, restore, exhibit and demonstrate electric trolley and other public transportation vehicles. Our collection includes vehicles from major cities around the world and we are home to "The National Collection of Streetcars."

Why would I want to become a Member?

Members play an integral role in carrying out the Museum's mission. All membership dues go toward the support of the Museum and all of our Volunteers are Members.
