

# Seashore Trolley Museum

Founded in 1939, the Seashore Trolley Museum is the oldest historic transportation Museum of its kind and curates the largest streetcar collection in the world.

Join other members, volunteers, donors, businesses, railfans, supporters and friends in building a stronger Society by purchasing a brick or paver on Seashore Trolley Museum's beautiful Visitors Center streetcar platform to celebrate our 80th Anniversary!

Your name, or that of a loved one, will forever be etched into our history.

Your donation is 100% tax deductible and will be designated to support Museum operations.

Supporters who purchase a 4" x 8" or 8" x 8" brick can also purchase a keepsake 1" x 3" Replica Brick for your office or home to proudly display your support for the Seashore Trolley Museum. Simply select this additional option and the replica will be shipped directly to you.
