National Streetcar Museum at Lowell

Make Our 80th Year One We Will Never Forget:
Please Support Our 2019 Annual Fund Campaign!

Supporting the Annual Fund now will help us get the remaining specialty fleet cars operating this season!

From top to bottom:
 Sydney 1700, City of
 Manchester, Boston
 396, Cleveland 1227,
 and Washington DC
 1304.

Thank you so much for your support of the Seashore Trolley Museum and for your membership during our 80th year. We have just made it past the halfway point of our 2019 season, and you have so much to feel proud of already!

- ➔ Our overall attendance has increased over 46% from this time last year!
- ➔ We completed major track work on our Main Line—411 ties have been replaced and removed!
- ➔ Our Fairview Car barn Expansion is complete, and track work inside the building is nearly finished.
- ➔ We have hosted several successful events, including a Highwood Car barn wedding reception, movie shoot, Daniel Tiger, our 80th Anniversary weekend, 50 Weekday Story Times, and more!
- ➔ Nagasaki Tram 134 gained tremendous local support. We hosted a weeklong youth program and phase one of its restoration is complete!

Help us keep the momentum going! Please invest in our 2019 Annual Fund Campaign. Our goal is to raise \$125,000 this year. No donation is too big or too small, and all donations are tax deductible due to our nonprofit status.

This year, several mission-critical projects are prioritized in our operating budget that we have designated as specific Annual Fund projects. We have done this to demonstrate how important to our continued success it is to donate to our Annual Fund Campaign. Without support from members like you, these crucial projects will not be accomplished or sustained in 2019. These projects are:

Much Needed Track Work on our Main Line and other high usage areas across campus.

Campus Enhancements: Improvements to our displays, display barns, exhibits and grounds.

Celebrating our 80th Anniversary, all year long!

Maintaining & Growing our Operating Fleet to 15 regular and special fleet cars.

Your generous donation will be directed towards the project that needs it most at the time of receipt. A \$100 donation will help us purchase stone for campus walking paths. A \$250 donation will help us purchase an exhibit sign for streetcars new to our display barns in 2019. A \$500 donation will help us repair a section of track. A \$1,000 donation will help us make a critical repair to keep our century old operating fleet in top condition.

With your investment, we will have a season to remember! Thank you in advance for your generosity and support for our 2019 Annual Campaign Fund and Initiatives!

Respectfully,

Katie Orlando
