

Memorial Bench Order Form

Purchase a memorial bench to honor the legacy of a loved one at Seashore Trolley Museum. This 5ft outdoor bench manufactured by Highwood® is assembled with stainless steel hardware and comes with the assurance of a manufacturer's 12-year warranty. The high-grade poly lumber used in this product offers the most realistic look of natural wood and lasts for decades.

A local engraver customizes a 2" x 3" stainless steel plaque with a message honoring your loved one. The plaque size included in this pricing is for 21-characters per line, up to 3 lines. The plaque is installed by our staff in the center of the bench's back (see picture below for reference).

The total cost for a memorial bench is \$750; this includes everything—the cost of the bench, delivery, assembly, the cost of the plaque and installation, and ongoing cleaning and maintenance.

What message would you like printed on the inscribed plaque? Please put each letter of your message into one box below. For a longer message, please email our Executive Director at the email provided below and please add an additional \$50 to the total amount.

Mail form and \$750 payment to:

Seashore Trolley Museum
 PO Box A, Kennebunkport, ME 04046

Please make checks payable to:
 Seashore Trolley Museum

Online payments may be made at:
<https://trolley museum.org/support/donate>
 In the comment section, please note that the payment is for a memorial bench.

For questions, to email your form following an online payment, or to order a plaque with a longer message, please contact our Executive Director at director@trolley museum.org or (207) 967-2800 x101.
